

Lotus Labs, why India's No 1 CRO??

Hi

Strategy to make India major bio-manufacturing hub

The recently unveiled National Biotechnology Development Strategy 2015-20, aims to establish India as a world-class bio-manufacturing hub. It intends to launch a major mission, backed with significant investments, for the creation of new biotech products, create a strong infrastructure for R&D and commercialization, and empower India's human resources scientifically and technologically.
